

Re: Docket# 98N-1038, "Irradiation In the Production, Processing,
and Handling of Food."

I want the FDA to ~~conspicuous~~ ^{5503-98 MAY 24 82-24} prominent labeling of food that has
been treated with irradiation. The label should be conspicuous and
include the logo for irradiation.

Your Signature: Daniel M. Miller

Additional comments: I hate using Nuclear
Waste to irradiate Food!
